- Obtain updated data and information about animal logistic in Indonesia

FLPI information

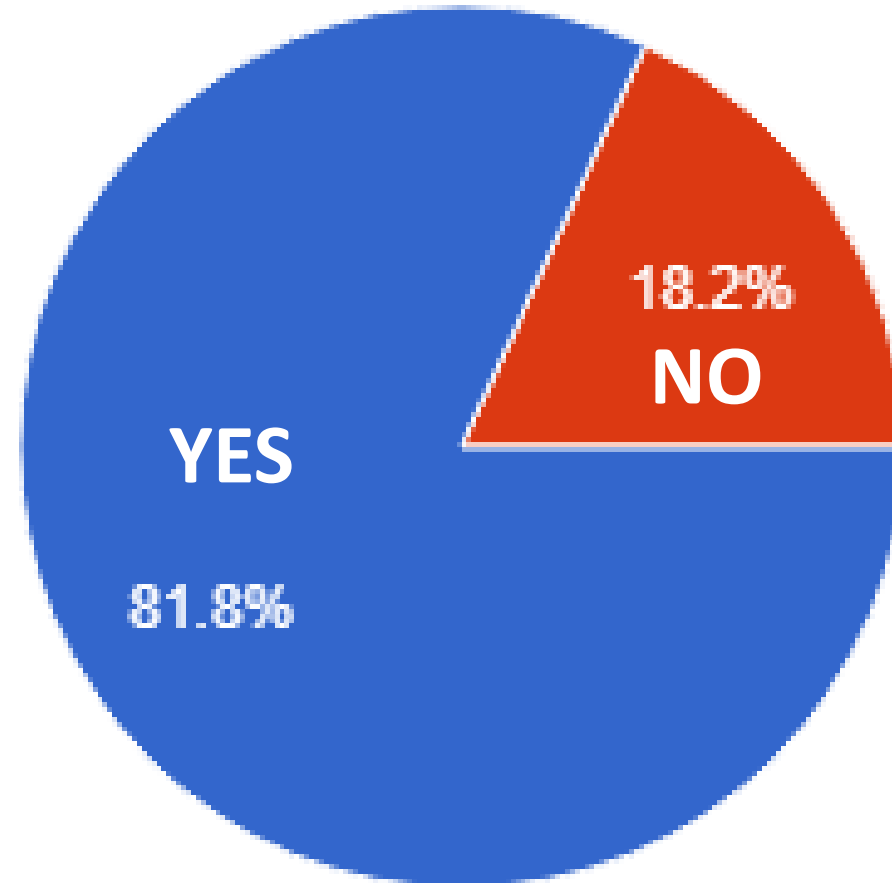

How did you initially know FLPI?

55 responses

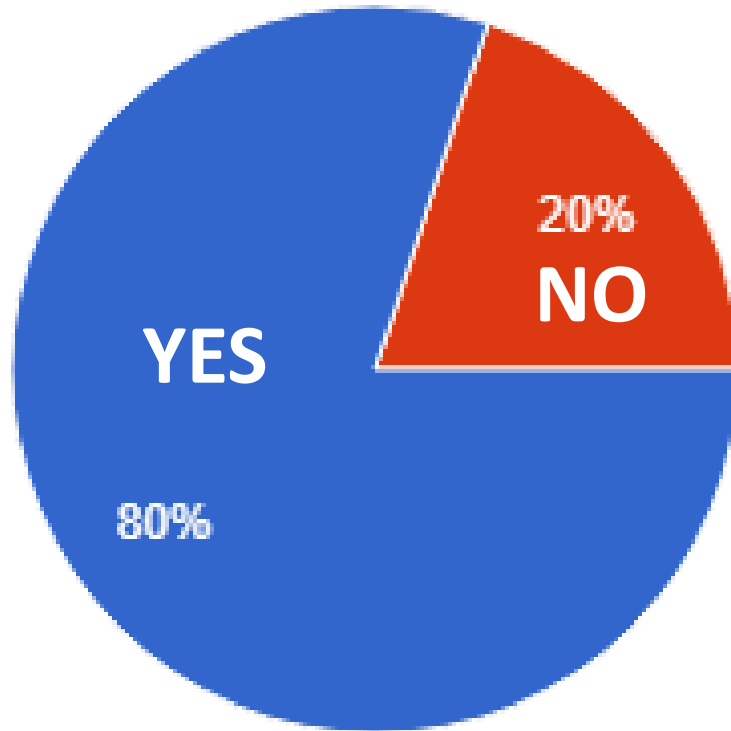

FLPI Web-Based Information

Have you ever visited the FLPI website?

Newsletter FLPI

Have you ever read the FLPI newsletter

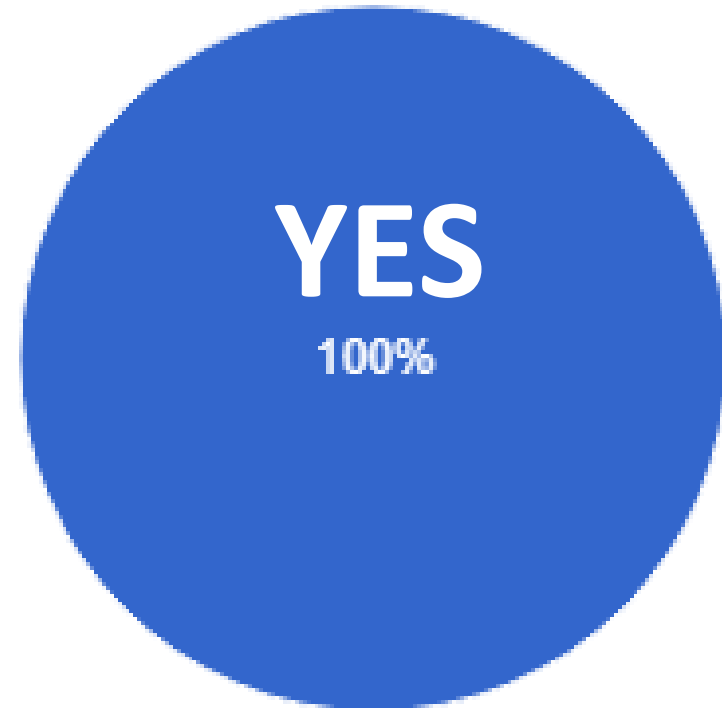

Comment on FLPI Newsletter

- ✓ Relevant to needs
- ✓ More variation of information
- ✓ More hot issues

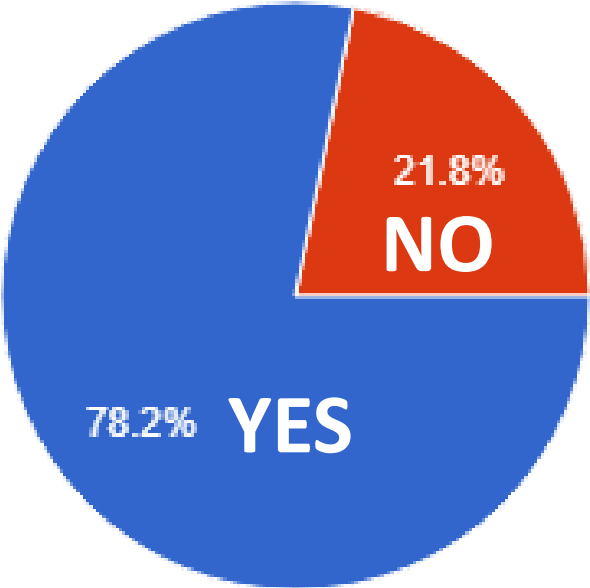

FLPI Networking Mediation

Does the FLPI help
expand your network?

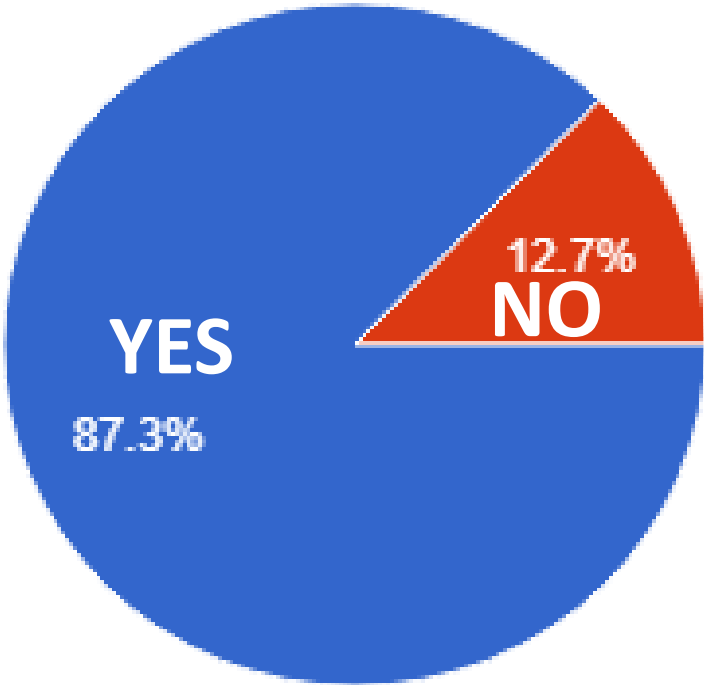

WhatsApp Group FLPI

Do you join FLPI-WA group ?

If the answer is "yes", does the group benefit you?

Suggestion for FLPI

Government

- Increasing international cooperation & relations such as ASEAN countries, especially with non government organization
- Increase the number of publications related to animal logistics
- Strengthen discussions on issues in the logistics field and be able to find the best alternative solutions
- Increase FLPI socialization to the general public

R&D University

- Able to provide advice on government policies related to animal logistics
- Improve networking to facilitate availability of job opportunities, especially for graduates of animal logistics
- Develop livestock logistics institutions

Association

- Broaden the participation of multistakeholder in animal logistics
- Involve stakeholders in the broad industry sector

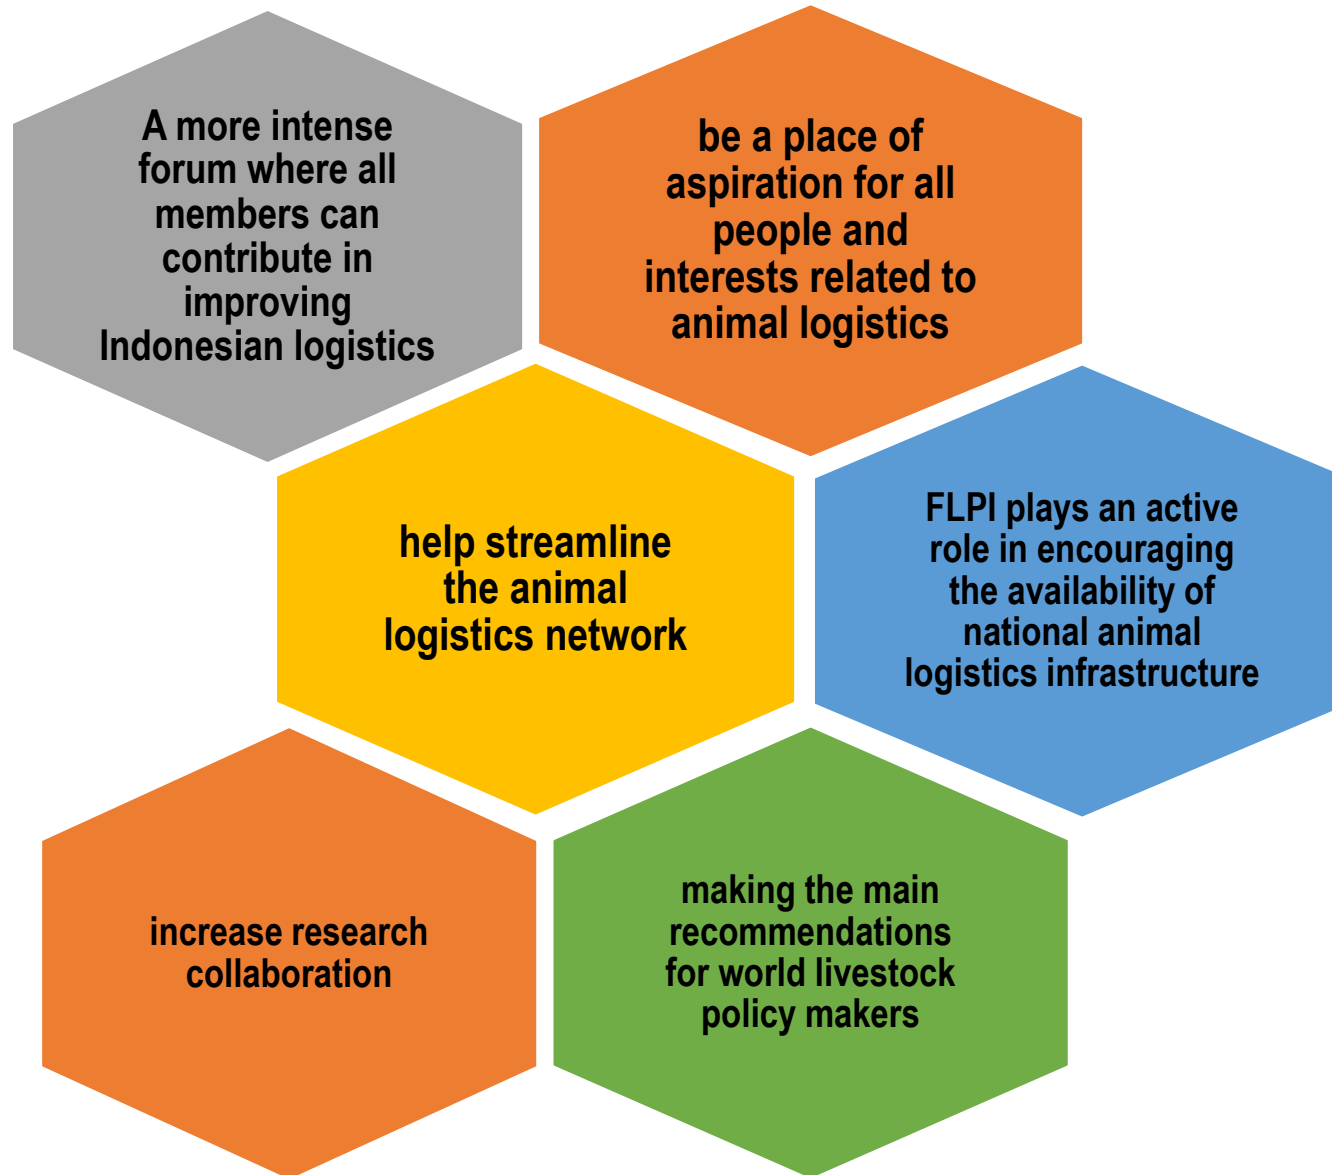

Business

- Develop research (create data) in the field of livestock from upstream to downstream
- Increasing cooperation with export and import agency of livestock related products to facilitate animal logistics development in Indonesia
- Continue to hold workshops, training and update information on animal logistics knowhow

Farmers

- Improve critical and informative knowledge in the field of animal logistics
- Hold more frequent on animal logistic training

Aspirations for FLPI
